

HIDING (Jessi Markee)

Verse 1

I'm off the list, I'm outta the queue
Had enough of fighting you
I'm gonna hide in my room

Verse 2

It hurts so bad, baby all that I say
Had enough of this stupid day
I'm gonna hide away

Chorus

So do what you do
And say what you say
I've had enough of you
So do what you do
And have it your way
Hiding from you

Verse 3

People say, that I'm you're fool
Had enough if these stupid rules
I'm gonna hide in my room

Verse 4

There's one rule for you
There's one rule for me
Tell me now is that how life should be?
I'm gonna hide, hide so you can't see

Chorus

So do what you do
And say what you say
I've had enough of you
So do what you do
And have it your way
Hiding from you

Do what you do
And say what you say
I've had enough of you
So do what you do
And have it your way
Hiding from you

Solo

Verse 5

I've heard it all
You've said what you've said
3am doesn't bring much sense
I'm gonna hide in my bed

Chorus

So do what you do
And say what you say
I've had enough of you
So do what you do
And have it your way
Hiding from you

Do what you do
And say what you say
I've had enough of you
So do what you do
And have it your way
Hiding from you
Hiding from you
Hiding from you
Hiding from you
