### **Verse 1**

I wish I could talk to you,  
I can't get through you know its true.  
Sat you down, I've explained  
This is not a game but you push me  
away.

Take some responsibility  
Can't you see what you're doing to me.  
It's your negativity  
It's not hard to say that you're sorry.
