

## **SIRENS (Jessi Markee)**

### **Verse 1**

I'm sorry I was drunk last night  
All I wanted to do was fight  
I'm sorry I was drunk again  
You were trying to be a friend

I said I'm sorry I was high last night  
All I could do was cry  
You know I'm sorry I was high again  
I tried, I couldn't pretend

### **Bridge**

Doesn't matter what you say  
Cause I've always been this way  
You know there's no talking to me  
Cause I'm my own worst enemy

### **Chorus**

The sirens, are calling out my name  
In the dark you all look the same  
And I heard, you're here to save my soul  
Can't save me, I won't be told

### **Verse 2**

I'm sorry I was drunk last night all I  
wanted to do was cry  
I'm sorry I was high again  
I tried, I couldn't pretend

### **Bridge**

Doesn't matter what you say  
Cause I've always been this way  
You know there's no talking to me  
Cause I'm my own worst enemy

### **Chorus**

The sirens, are calling out my name  
In the dark you all look the same  
And I heard, you're here to save my soul  
Can't save me, I won't be told

### **Chorus**

The sirens, are calling out my name  
In the dark you all look the same  
And I heard, you're here to save my soul  
Can't save me, I won't be told

### **Middle 8**

### **Bridge**

Doesn't matter what you say  
Cause I've always been this way  
You know there's no talking to me  
Cause I'm my own worst enemy

### **Chorus**

The sirens, are calling out my name  
In the dark you all look the same  
And I heard, you're here to save my soul
