

This Is My Call (Jessi Markee)

Verse 1

There was a time in my life,
When you were amazing.
There was a time in my life,
When my world revolved around you

But you let me down you've been
fooling around and I no longer like you
Playing games and passing the blame
And I no longer want you.

Pre-Chorus

I'd like to have just a little less fight in
my daily life and you say you need just
a little more time to make up your mind

Chorus

Have you lost your mind boy
Cos it's my choice.
You know I think you are blind boy
Cos it's my toy
You think you got it,
I know but I chose if I fall, This is my call.

Verse 2

There was a time in my life
When I really loved you
There was a time in my life
When I'd do anything for you
But you gone around you've been
putting me down
And I no longer trust you
See I know the truth, I've heard what
you do
And I don't wanna touch you

Pre-Chorus

I'd like to have just a little less fight in
my daily life and you say you need just
a little more time to make up your mind

Chorus

Have you lost your mind boy
Cos it's my choice.
You know I think you are blind boy
Cos it's my toy
You think you got it,
I know but I chose if I fall, This is my call.

Bridge

After you baby know I can wait
Cos gone are the chivalry days
I don't get the door held any more
You say that's what they fight for,

Pre-Chorus

I'd like to have just a little less fight in
my daily life and you say you need just
a little more time to make up your mind

Chorus

Have you lost your mind boy
Cos it's my choice.
You know I think you are blind boy
Cos it's my toy
You think you got it,
I know but I chose if I fall, This is my call.
(repeat)
